Mr. William Terry
Production Director
Radio Station WDBS
Hanover, N.H.

Dear Bill:

The term down here has come to a conclusion, and with it a lot of relaxation and partying. As far as this summer goes, I will be taking about a week's vacation around the middle of this month, then work in New Haven for a few days, then be off for about a month travelling around. From July 23rd on I'll be in New Haven, and can be contacted here at W Y B C. The rest of the time I have little idea where I'll be.

I hope to come up with a few decent ideas over the summer, but have nothing special in mind right now. I definitely want to push this interview trading deal through, and get someone to sell it. I will make up a sample format for the program, so it can be completely standardized all along the line.

A couple of things--Did you know that Duke University at Durham, N.C. has started a radio station, and are calling themselves WDBS. I suggest someone look into registering call letters, etc, if it has already not been done. Maybe Duke would be willing to relinquish their call.

Also, enclosed is some material from the Princeton Alumni Weekly. Ding Koehler suggests that you try and get a similar spread. Could you pass this along to another Ivy station when you are finished with it, and ask them to send it when they finish.

I will probably get in touch with you at your home address sometime this summer. Best wishes for a pleasant vacation.

Cordially,

Howard Eaton, Jr.
Program Director.

IN A FORUM HELD AT 8:15 THIS EVENING IN THE GAME ROOM OF BERKLEY COLLEGE,SIR GEORGE SANSOM,FORMER MEMBER OF THE BRITISH DIPLOMATIC CORPS AND NOW TEACHING AT COLUMBIA UNIVERSITY,SPOKE ON THE SITUATION IN THE FAR EAST.

HE STRESSED THE POINT THAT THE CHIEF CAUSE FOR THE TROUBLE OF TODAY IS THE IDEALISTIC APPROACH TO DIPLOMATIC PROBLEMS AND FAILURE TO FACE FACTS. CITING EXAMPLES,HE MENTIONED THAT ANY FAILURE IN JAPAN WAS DUE TO THE FACT THAT WE DID NOT REALIZE THE LONG TERM POLITICAL VIEWS OF THE SITUATION.

HE ALSO SAID THAT THERE WAS NO REASON TO EXPECT A RAPID GROWTH OF DEMOCRATIC IDEALS IN JAPAN,AND THAT IT WOULD BE A LONG BATTLE. SIR GEORGE SAID THAT HE FELT THAT THE MOST IMPORTANT ACCOMPLISHMENT IN JAPAN WAS THE ENCOURAGEMENT OF LABOR UNIONS.

THE COLOMBIA PROFESSOR STATED THAT THERE WAS STRONG NATIONALISM ARISING IN THE FAR EAST,IN SOME CASES ALMOST TO A POINT OF FACISISM.

HE SAID THE SOLUTION LAY POSSIBLY IN THE ECONOMIC AID FROM THE WESTERN POWERS,ESPECIALLY THE U.S.A..

WHEN ASKED HIS OWN POSITION,SIR GEORGE LAUGHINGLY REPLIED THAT HE WAS A "FIRM MIDDLE MAN."
